RELAY FOR LIFE OF JASPER COUNTY

The American Cancer Society Relay For Life movement is the world's largest fundraising event to fight every cancer in every community. Rallying the passion of 4 million people worldwide, Relay For Life events raise critical funds that help fuel the mission of the American Cancer Society, an organization whose reach touches so many lives – those who are currently battling cancer, those who may face a diagnosis in the future, and those who may avoid a diagnosis altogether thanks to education, prevention, and early detection.

HOW YOUR DOLLARS MAKE A DIFFERENCE

With your help, the American Cancer Society is fighting for every life threatened by every cancer, in every community. Through your support of the Relay For Life movement, your dollars contribute to:

Groundbreaking cancer research so cancer never steals another year from anyone's life.

Education and prevention efforts for those currently battling the disease and those who may face a future diagnosis.

Free information and services for cancer patients who need them.

Advocacy through the American Cancer Society Cancer Action NetworkSM (ACS CAN) to make cancer a national priority.
